FOREST INDUSTRIES INC

# Application Procedure

**Purpose:** Alberta-Pacific Forest Industries Inc. values the importance of education and continued learning. The **AI-Pac Environmental Sciences Education Award** is designed to encourage young Albertans to pursue further educational opportunities in the field of environmental sciences.

**Value:** Each year, one **EPC Athabasca** may receive a single \$500 award.

**Eligibility:** Applicants must have completed their studies at **EPC Athabasca** and further accepted into their first year of studies at a recognized and accredited post-secondary institution. Qualifying programs of study include but are not limited to: environmental conservation, forest or plant sciences, forest engineering, renewable resources, forest business management, environmental biology or forest technology.

**Selection Process:** Staff from **EPC Athabasca** will make up the selection committee. The committee will review all applications and will determine the successful applicant based on a satisfactory performance in:

- academics;
- leadership capabilities and skills;
- community involvement

**Application Process:** AI-Pac's funding deadline is June 30; however, the **EPC Athabasca** Selection Committee may implement an earlier date. Completed applications must be submitted to the **EPC Athabasca** Student Services department.

**Award Presentation:** When possible, a representative from Alberta-Pacific will present the \$500 award at the graduation ceremonies. When not possible, an **EPC Athabasca** staff member is asked to present on AI-Pac's behalf.
