Dear Parent/Guardian of Grade 10 students,

Your son or daughter is presently considering a mathematics course for this fall. The Alberta Education web site has information about the different mathematics courses.

- [My Child's Learning: A Parent Resource](#) ¹
- [Grade 10 students](#) ²
- [High School Mathematics at a Glance](#) ³

(Note: Diploma exams for grade 12 courses are only 30% of a student's final mark).

The following Grade 10 courses are listed with their required resources.

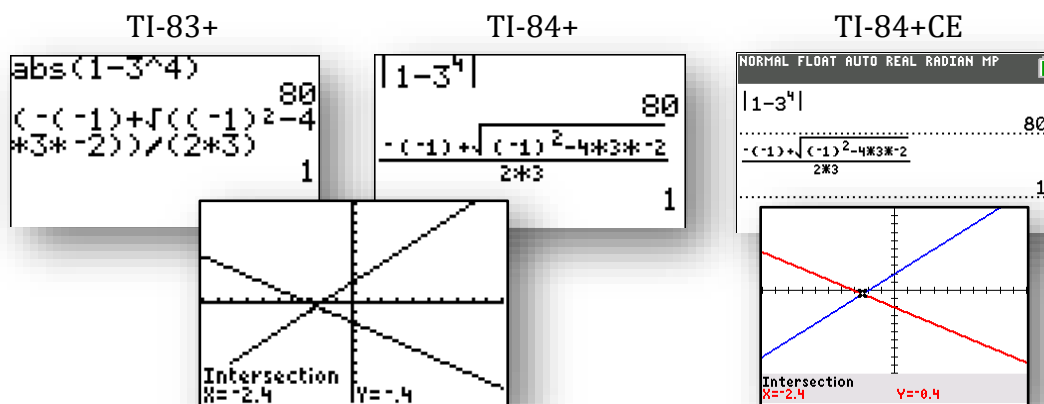

- Mathematics 10C

(Requires a graphing calculator)

TI-83 Plus, TI-84 Plus, TI-84 Plus C, TI-84 Plus CE

All handouts and classroom demonstrations will be centered around these calculators by Texas Instruments.

Comparison of the TI-83+ and the TI-84 Plus calculators

- Mathematics 10-3

(Requires any scientific calculator)
